Nick and Vanessa talk babies

"What are you afraid of, Nick?" Vanessa Minnillo was overheard asking boyfriend Nick Lachey during dinner at Mastro's Steakhouse in Beverly Hills on January 9. "Would we even get married if I got pregnant, like Jessica Alba?" An eyewitness says that Nick kept saying, "I love you, and you know it," to Vanessa, 27, but that didn't seem to be enough. "They were talking marriage and babies and it didn't seem to be going well," the eyewitness says. "It was obvious they couldn't agree on the subject." An insider close to the couple reveals that Vanessa is getting fed up as she waits for Nick, 34, to propose, adding, "Vanessa expected to be wearing a ring by now."

► The two did smile for the cameras when they were snapped leaving the restaurant after dinner.

Tyra looked amazing in her George Chakra gown at the event, which will be televised on February 22.

Tyra's holiday splurge

Supermodels have a hard time resisting Christmas cookies, just like the rest of us. Tyra Banks was among the honorees at the first BET Honors awards in Washington, D.C., on January 12. She told the crowd that she had gained 10 pounds during her recent vacation, but added that the holidays were the perfect time "to eat whatever you want without feeling guilty." Tyra, 34, came out swinging when critics said she was fat last year. "Young girls say, 'I look up to you — you're not as skinny as everyone else. I think you're beautiful.'"
