

VITA-LEA® SUPER MULTIVITAMIN / MULTIMINERAL COMPLEX

More Nutrients, More Protection, More Strength.

The formula that provides 23 essential vitamins and minerals at clinically proven levels, for optimal health. Taken daily, Vita-Lea promotes overall health and wellness and supports long-term colon, heart, and eye health, and strengthens the immune system.*

The Shaklee Difference

Vita-Lea has a patented Bioactivated Absorption System™ to ensure increased absorption of critical folic acid.

5 Times More Beta Carotene to support vision health.*

2 Times More Vitamin C to enhance immune function.*

2 Times More Vitamin E to protect against free radical damage.*

10% More Biotin a key catalyst for energy production.*
