

HOW WOULD YOU LIKE TO FEEL 25 YEARS YOUNGER AND LIVE 25 YEARS LONGER? DOESN'T EVERYONE DREAM OF FEELING YOUNGER AND LIVING LONGER?

Introducing a REVOLUTIONARY BREAKTHROUGH in Cellular Anti-Aging* VIVIX™

Vivix Cellular Anti-aging Tonic is a revolutionary breakthrough in the fight against cellular aging. Developed after years of research by Shaklee Corporation, the number one natural nutrition company in the U.S., Vivix is the world's best anti-aging supplement.

A 30-day supply of Vivix delivers the equivalent amount of resveratrol found in 3,000 glasses of red wine, and Vivix ingredients are 10x more powerful in slowing a key mechanism of aging than resveratrol alone.*

In laboratory studies, Vivix ingredients have been shown to impact the four key mechanisms of cellular aging.*

- 1. DNA Damage:** Everyday, every cell in your body is bombarded by up to a million DNA-damaging assaults. These assaults can damage the cell's genetic database, creating a "typo" that may compromise cell function and longevity.
Vivix ingredients help protect and repair cellular DNA.*
- 2. Genetic Regulators:** Genetic regulators contribute to age-related cellular deterioration.
Vivix ingredients positively impact genetic regulators which help turn down cellular aging.*
- 3. Declining Cellular Energy Production:** Mitochondria in our cells create energy we can't live without. As mitochondrial efficiency decreases, cell function declines.
Vivix ingredients promote mitochondrial biogenesis.*
- 4. Accumulation of AGE Proteins:** Excess accumulation of Advanced Glycation Endproducts (AGE) can cause cellular damage that can compromise cell integrity and longevity. **Vivix ingredients are 10x more powerful than resveratrol alone at slowing AGE protein formation.***

Also Supports*

- 1. Heart health**
- 2. Brain health and cardiovascular function**
- 3. Enhanced immunity**
- 4. Joint health**

Just one of the ingredients in Vivix alone has been referenced in over 2,000 research publications, including multiple studies conducted by Harvard University, at the National Institute on Aging, at the National Cancer Institute, and the National Institute of Environmental Science.

All Natural. Patent Pending. Clinically Tested Key Ingredients. Exclusive to Shaklee.
